Please remember that the mandat cash has to show the fee in **euros** and to be made to the order of "U.S Consulate General, Marseille" or "Consulat General des U.S.A, Marseille". A small fee is charged by the French post office for the purchase of this payment method.

Please be careful to only use the blue "mandat cash" and NOT the yellow "mandat compte" (the yellow mandat form is only for visa fees and is non-reimbursable. Because this is for a government service, post office employees are sometimes confused and misdirect passport applicants).
